### CORNELI'S STANDARDIZED PACKAGE PLAN

To give you quicker service and to assure accuracy in filling your orders, we have adopted standard bag sizes for each kind of seed. They are based on a study of sizes usually ordered. The Standard Sizes are listed at the top of each price column. We will use the least possible number of packages to fill the quantity ordered of each item.

#### BAGS

On full bag orders of Beans, Peas, and Corn, bags are supplied at no extra charge. On full bag orders for all other kinds of vegetable seeds, bags will be charged extra and are not returnable.

Except for "Pack Bags", no extra charge will be made for bags with any kind of vegetable seed ordered in less than full bag quantities if the order may be filled with "Standardized", broken bag sizes as shown over each price column.

Along the same line of thought, it is important to note that the proposed model is not a new model, but a new way of looking at the existing models. The proposed model is a new way of looking at the existing models, and it is a new way of looking at the existing models.

### A POSTER FOR YOUR PROTECTION

The "Limitation of Warranty" clause was recommended by the Legislative Committee of the American Seed Trade Association last summer to replace the "non-warranty". Our company and many others have adopted this new form as being the correct policy to follow in dealing with customers. If you agree and wish to put it into effect, you should display this poster in your store.

This new poster has been printed by A.S.T.A. and is available free to members, or through your state seed association, or upon request, we will send one to you. Poster is 10 x 14 inches.

#### NOTICE TO OUR CUSTOMERS

##### Limitation of Warranty

We warrant, to the extent of the purchase price, that Seeds or Bulbs sold are as described on the container, within recognized tolerances. We give no other or further warranty, express or implied.

### NEW CATALOG OF CANNER & FREEZER VARIETIES

Catalog No. 8, just off the press, is a complete descriptive catalog of all our varieties of vegetables considered to be commercially adapted to canning, quick freezing, or pickling. This 52 page illustrated book will be sent to you upon request. Just ask for a copy along with your next seed order or by mail. Because of its specialized nature we have not mailed it out generally, but will gladly send it where wanted.
